

North Lakeland 2025

A LOOK INSIDE

Our 4K-8th grade school is known for its excellent academic programs, low student-to-staff ratio, unique outdoor education program, and innovative use of class configuration and technology. The school prides itself in the quality of care given to each student and upholds a tradition of creating competent and responsible citizens who will become tomorrow's leaders.

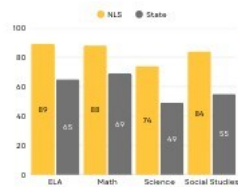

Top .05% of ALL Elementary and Middle Schools Nationally!

Our school ranks top overall in Wisconsin and nationally!

Annually very HIGH ACHIEVEMENT

Our students perform at very high levels in **all subjects** each year.

Top 6% Statewide for Student Achievement

Our school district's achievement level is at or above 94.7% of schools statewide!

Each year our students demonstrate very high levels of achievement 4k - 8 across subjects.

Highly Engaged Staff

Our staff present at national conferences, engage in dynamic professional learning and seek out grants to enhance the learning experience. On average our teachers have **20+ years of experience**, with **13+ years at NLS!** This showcases our overall passion for our school community.

Unmatched Learning Experiences

Our students experience over **550+ hours of hands-on experiential learning**, outside of our already **6 days of outdoor education**, each year across the 4k - 8. In addition, we offer highly unique **after-school learning experiences year-round through our Lighted Schoolhouse programming.**
