Re: Pupil Nondiscrimination and Equality of Educational Opportunities

Please be advised that per state statutes the North Lakeland School District is required to review its nondiscrimination policies and evaluate the equality of educational opportunities.

Currently there are no discrimination complaints on file with the District. In reviewing our programs, it has been concluded that our pupil nondiscrimination policies and equality in education opportunities are acceptable. A copy of this finding may be obtained by contacting North Lakeland School at 715-543-8417.

Please be advised that if you wish to comment on pupil nondiscrimination and/or equality for educational opportunities, please contact me at 715-543-8417 ext. 115 or [bjelinski@nles.us](mailto:bjelinski@nles.us) by 9/30/2026.
