

**The North Lakeland School District will be offering free breakfast and lunch to any NLS student and NLS resident child between the ages of 0-18 through December 31, 2020, or until federal funds are depleted.** This opportunity was made possible through the USDA.

When a student is at school, they can get one free breakfast and one free lunch at the normal time meals are served. One milk is included with lunch and breakfast. If a student wants only milk, they will be charged 30-cents. Students can purchase additional milk for 30-cents each at any time with their meal as well.

Since students will not be charged for meals during this program period, any dollar amount in their NLS lunch account will **NOT** be used starting Sept. 8, 2020, until this program ends.

Due to the limited time period of this program, parents should still complete a free/reduced meals application if you intended to do so. This will prevent your child's meals from being charged at full price when this program expires.

If you have any questions, please contact [Mr. Brent Jelinski](#) with any questions: 715-543-8417 ext. 115.
